

Pig

- This game is played with two players
- Each player rolls a die repeatedly until either a one is rolled, or the player decides to hold.
- If a player rolls a 1, their turn is over; they get no points for the round
- If some other number is rolled, the score is added to their turn total and they are allowed to roll again.
- If the player chooses to hold, they are allowed to keep their turn total; the turn total is added to their total score.
- The game is over when one player has a total score of 100 or more.
